GoalBay

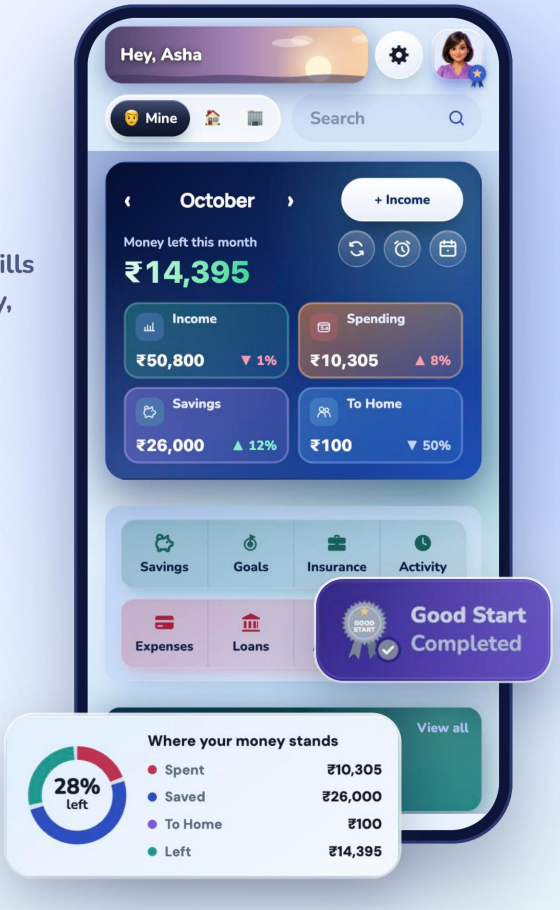

Plan Today, Protect Tomorrow

FREE ON PLAYSTORE

YOUR MONEY PLANNER

Your money, finally clear.

Track spending, save for goals, split bills with friends and plan with your family, all in one calm, private app.

See where it all goes

Income, spending and savings for the month, in one card.

Split without the awkward talk

Scan a bill, tap who had what. Everyone pays their share.

Save with a plan

Goals, savings and due dates, so nothing slips.

Instagram YouTube Email

SCAN A BILL IN THREE STEPS

Snap A photo or a PDF → **Check** Items appear for you → **Split or save** Who had what, done

ANDROID

Playstore

Get GoalBay free. Scan the code or search GoalBay.

IPHONE

Web app

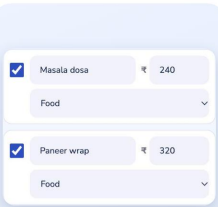

In Safari, tap Share, then Add to Home Screen.

Same GoalBay, same account. Visit www.goalbay.mawsi.in

Everything you need, in one app

GoalBay
Plan Today, Protect Tomorrow

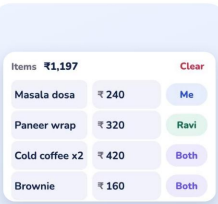

Real screens from GoalBay. Here is what you can do.

Skip the typing

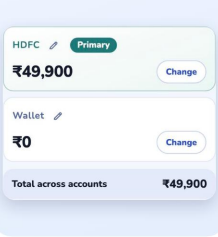

Snap a bill. Every item is listed for you to check.

PLUS · HOME

Pay only for what you had

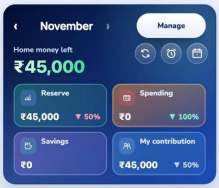

Tap who had each item. Tax is shared evenly.

All your accounts

Bank and wallet balances, moved by every entry.

PLUS

One home for the family

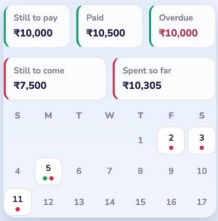

Shared money for up to 5 people. Yours stays private.

HOME

Reach your goals

Savings and goals with progress and due dates.

Never miss a date

Every payment and due date on one calendar.

Your people, kept in touch

Link family and friends, see who owes what, send a kind reminder and chat.

Private and encrypted · Works offline · 10-second undo · Free to start · India and US

ANDROID

Playstore

Get GoalBay free. Scan the code or search GoalBay.

IPHONE

Web app

In Safari, tap Share, then Add to Home Screen.

PLUS features come with GoalBay Plus. HOME features come with the GoalBay Home plan, which also includes Scan a bill. Screens show demo names and figures. GoalBay keeps your records and helps you plan; it does not give financial, tax or investment advice.
